

Nu/Clean D.I. Elite and D.I. Elite Plus

The Nu/Clean D.I. Elite and the Nu/Clean D.I. Elite Plus are water treatment systems designed to work with any Batch Cleaner System. This is perfect for a closed loop system or a zero discharge system. The Nu/Clean D.I. Elite is ergonomically designed in a chemical resistant Polypro cabinet. It is easy to use and maintain. The innovative design of the Nu/Clean D.I. Elite will complement the look of your production facility and impress your customers.
